Nov 2021	Sandridge Solar Farm	£38,619.71	
Nov 2022	Sandridge Solar Farm	£44,189.75	

Councils are required to pass 15% of CIL receipts to Town Councils or 25% if Neighbourhood Plan is in place. The money has to be spent in 5 years.

The money must support the development of the local area by funding: the provision, improvement, replacement, operation or maintenance of infrastructure or anything else that is concerned with addressing the demands that development places on an area.

Each year a Council must publish the following information: Total CIL receipts; Total expenditure; A summary of what the CIL was spent on; Total amount of receipts retained at the end of the reported year from that year and previous years.
