MELKSHAM TOWN COUNCIL

MEETING OF THE Community Development Committee

1st October 2024

Report of use of Red Telephone Boxes.

Report of committee clerk

1 Purpose of the report

To advise on how other council's use decommissioned red telephone boxes

2 Background

By resolution of 16th December 2019 MTC adopted two decommissioned red telephone boxes. These have been refurbished and plans were being developed to use them for planting.

3 Current Situation

Community Development on 29th July 2024 requested officers to contact other councils to see how they use adopted boxes.

I have spoken to various councils in the area. Not all have adopted telephone boxes but some that do not hope to adopt a box should the opportunity arise. Of these, some already have plans for use.

The uses/proposed uses are limited to planting, book swap and defibs.

In Melksham there are already defibs close to the location of both boxes, on the SSE Building and the shop in Forest Road.

Other suggestions that have been put forward are an art gallery and an information hub.

The box situated in Forest Ward has been vandalised and further work would be needed before this can be used. The door has been removed by the Amenities Team. The box situated in South Ward has a couple of broken glass panels but is generally ready for use after the installation of shelves.

4 Financial Implications

Depending on final decision. Planting would require funds for the purchase of plants and Amenities Team time for watering. Book Swap would require no additional funds by the Council. Both options would require the installation of shelving, which has been previously allowed for.

5 Risk Assessment, Safeguarding, Crime and disorder implications

Possible vandalism

6 Environmental considerations

Plants are an obvious plus to the environment but visits from Amenities Team for watering/maintenance may off-set this. Book Swap would be a form of recycling.

7 Recommendations

It is now too late in the year for planting. I would suggest the box in South Ward be used for a book swap and possibly information leaflets and that the matter be reviewed next year for the new planting season.

Council might also want to consider the possibility of moving one or both of the boxes to a new location.

Doors open at 1.30, but we get there around 1.15/ 1.20

One long table by the hatch for refreshments.
The water heater is used, and I use one of the big black and silver thermos jugs for the water for coffee, but bring own teapot and mugs.
I use two plates, two small dishes, two jugs and another for sugar.
I use the dishwasher for used mugs.

We try to persuade People to bring own mugs as this is easier and I don't want disposable mugs. Save the planet....

13:15	16:15	Main hall	Melksham Seniors	Special Requirements 1: All films will start at 2pm. We have a coffee break at around 2.45 / 3pm for 15 minutes. And finish around 4.15. But this does differ with the length of the film.

Doors open at 1.30, but we get there around 1.15/ 1.20
So 3 hours hire.

Set up. About 55 is normal attendance, but they do spread out. If it is a very popular film we might get 80+. But extra chairs can soon be put out.

We have one small table on the door, in the hall.
One long table by the hatch for refreshments.
The water heater is used, and I use one of the big black and silver thermos jugs for the water for coffee, but bring own teapot and mugs.
I use two plates, two small dishes, two jugs and another for sugar.
I use the dishwasher for used mugs.

We try to persuade People to bring own mugs as this is easier and I don't want disposable mugs. Save the planet....

ASSEMBLY HALL OVERVIEW

When I started on the 2nd of April 2024 it was made clear to me that we needed to maximise the usage of the Hall with more events and show, plus community activities.

I have in that time been working on the mandate to populate the hall and its facilities with as much variety and volume to offer the general public not only an entertainment venue but a public hub for community events.

I have submitted a booking report for Apr-24 to Apr 25 to give you an idea of what has been happening and how much busier we are getting now.

One of the other targets was to try and appeal to all demographics to ensure going forward that we maintain our audience and attendance numbers. This is an ongoing project.

As you will see we are very busy with the exception of July and August, this was left more as after some research it seems that due to holidays etc people tend not to be interested in the indoor activities, but instead we would like to focus on outdoor events for the summer time and assisting and working with Comm Dev .

As a result of us being so busy it has highlighted the need for a Duty manager to assist with the running of events to relieve the team so we can try to get some time off or at least the odd weekend. At the moment apart from working all the time to actually manage and run the shows and events there is a mountain of back office work that goes on that most people rarely see including the facilities management of the venue and all that goes with that.

Currently after advertising the position for the Duty Manager, from 20 applicants we selected 3 candidates, one was very good, the second didn't turn up the interview ! and the 3rd is being interviewed tomorrow. I am hopeful that from the 2 candidates we will be able to select one and move forward, Obviously there will be an interim stage where training will be needed and so the time we will benefit from the new person will be early in the new year.

BAR- The bar is managed and run by the managers at the moment, this is being run successfully at the moment and has great potential to provide more profit with more events being put on,

Casual Bar staff are stable as we have a good number from our staffing pool and have been trained effectively.

I am always looking to promote as much variety in the bar to maximise takings with special offers and will be introducing cocktails soon as well as other beers and spirits,

My intention going forward is introduce more evening lounge activities so it is used more as a social club, this will again offer more to the community and help maximise the bar at the same time.

Forward planning it is our intention to book in more shows and activities to maximise the usage of the facility and at the same time generate enough revenue to pay for its self so the budgeted finance can be used elsewhere by the councillors and the council.

Following any feedback I will be more than happy to go into more detail on this as required.

Thank you, Sarah, for your kind words I am so glad everything went well.....Highlighted was only one criticism – the Lyons event prior to the proms had no medic present, this must be addressed for future bookings, thankfully all was well.

Congratulations on such a wonderful event Sarah – I was delighted to attend.

Congratulations to all those involved in putting on the live screening on Saturday evening. You obviously involved a company who knew what they were doing. Numbers looked good, atmosphere was good and weather was good albeit a bit chilly towards the end. I can't resist adding that the lights came into their own bigtime and hopefully showed everyone what a great venue it is for after-dark events as well as so much else. The cafe of course is the icing on the cake!

Thank you for your email, It was an absolute pleasure working with you on your event. We strive to provide the best service possible, and your satisfaction is our top priority. We wanted to reach out to kindly ask if you would be willing to share your experience with us by writing a review online and as a token of our gratitude for your time, we'd like to send you a complimentary gift. Simply leave a review on either Google My Business or Trustpilot, and we'll pop your free gift in the post.....That's great news, we would love to work with you again.

3 days on and I'm still getting floods of compliments about Saturdays Proms in the park! Amazing work to everyone who helped make it a success. A big thank you from me!

Thanks for your shout out and what a great event it was on Saturday. Our team at LMD truly enjoyed collaborating with you, and we look forward to working together on your future events.

Very well done and thanks to all involved in the Lions club picnic in the Park and the Last night of the Proms events, I attended both, really enjoyable, even the sun came out providing a perfect September day and evening.

Amazing evening so many people enjoying it.

A great night thank you

It was a really great day, the sun was shining beautifully and although a little chilly in the evening, the moon and stars were bright. I really enjoyed myself as I feel everyone else there did. Great to see the town council staff enjoying the evening along with the mayor and councillors

Had a great time in the evening. You done a fantastic job with the event, well done Sarah
