

Quotation

Hi Dave, here is you quote

Cleaning of toilets in Melksham park.

Toilets will be cleaned and sanitised daily, soap and toilet roll dispensers filled. (Soap & toilet rolls provided not included)

During the summer months we will do an additional daily check when we have staff available as we appreciate the park can get extremely busy

There will be no cover December 25th -26th

We would recommend putting sanitary bins in both toilets

The total cost including the additional checks that will be required during the busy periods is

£600 PCM + Vat

Look forward to hearing
