# Minutes of the Finance, Administration and Performance Committee meeting held on Monday 4th September 2023

#### PRESENT:

Councillor J Crundell Councillor C Forgacs Councillor J Hubbard

Councillor Aves, substituting for Councillor Ellis

**OFFICERS:** Linda Roberts Town Clerk

Andrew Meacham Committee Clerk

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** to appoint Councillor Forgacs as Chair for the meeting.

**PUBLIC PARTICIPATION:** One member of the public was present.

Debbie Burns, Melksham Cricket Club. Attended to answer any questions about the grant application but also to give an overview. The club has rebuilt since the fire in 2015 with new facilities, three mens teams, a youth program and a ladies and girls team. The first team have just been promoted for the second year running and will play in Division 2 of the Wiltshire County Cricket League. Facilities will be further updated to bring in line with the requirements of the new division.

The club had nominated their groundsman, Tim Carpenter, for a Groundsman of the Year Award. They have been notified that he has won an award and has been invited to Lords for the presentation.

The ladies team is going from strength to strength and the focus now is to develop facilities for the ladies team.

The meeting opened.

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** to recommend to the Mayor to send letters of congratulation to Tim Carpenter on his award and the club on its success.

#### 43/23 Apologies

Apologies were received from the Chair Councillor Mortimer, the Vice-Chair Councillor Rabey, Councillor Cooke and Councillor Ellis. Councillor Ellis was substituted by Councillor Aves.

#### 44/23 Declarations of Interest

There were no declarations of interest.

#### 45/23 Minutes

Councillor Hubbard referred to the fact that last year's accounts were signed off by full council with the caveat that they would come before the Finance, Administration and Performance Committee. The Chair requested that it is ensured these are on the agenda for the next meeting.

The minutes of 31 July 2023 having previously been circulated, were approved as a correct record and signed by the Chair, Councillor Forgacs.

#### 46/23 Grants

Councillor Hubbard suggested dealing with Melksham Cricket Club first, as a representative was present.

There was a discussion on how much was available to be allocated. It was advised that Melksham Council had allowed a budget of £16000, to be allocated over four quarters and that excess could roll over to the next quarter. It was agreed that, as no awards came to committee in the first quarter, £8000 was available.

Grant applications were considered as follows.

#### Melksham Cricket Club.

Councillor Aves asked what equipment was being purchased. Debbie Burns advised that it would be bats and balls and explained that these are lighter in the ladies game.

It was proposed by Councillor Hubbard, seconded by Councillor Aves, and

**UNANIMOUSLY RESOLVED** to award Melksham Cricket Club a grant of £335.00.

#### <u>Melksham Music Festival</u>

Councillor Hubbard asked if this was Party in the Park and it was confirmed that it was. Councillor Hubbard commented that the budget included a Major Grant to Party in the Park of £3000 which is not being used.

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** that £1000 be paid from the Major Grant sum of £3000.

#### Meadowbrook Wiltshire

Councillor Hubbard expressed his concern that this project was not in Melksham Town boundary.

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** to refuse the application.

#### Wiltshire Scrapstore

Councillor Hubbard expressed his admiration for the Scrapstore but had concerns about the cost and that the project was being run in schools and the Town Council does not fund projects in schools.

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** to refuse the application.

#### Music for Minatures

It was felt that teaching music to children was admirable but the specific application was weak as there are many child and toddler groups where a concert could be held and it was not clear how much of a benefit to Melksham Town residents it would be.

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** to refuse the application.

#### Melksham Carnival

The committee expressed concern at the sum requested in view of the stated purpose. It was felt that the application should be resubmitted with details of costing and what the gazebo would be used for, and that council officers would offer support in costing and submitting the application.

#### Wiltshire and Bath Independent Living Trust Ltd.

It was noted that no documentation had been submitted and therefore the application could not be considered.

#### Melksham Choral Society

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

 $\textbf{UNANIMOUSLY RESOLVED} \ to \ award \ Melksham \ Choral \ Society \ a \ grant \ of \ £850.00$ 

#### Melksham Garden Society

It was proposed by Councillor Aves, seconded by Councillor J Crundell and

**UNANIMOUSLY RESOLVED** to award the Melksham Garden Society a grant of £250.00

#### Melksham WI

It was proposed by Councillor J Crundell, seconded by Councillor Hubbard an

**UNANIMOUSLY RESOLVED** to award the Melksham WI a grant of £200.

#### Melksham Free Dining

Councillor Hubbard felt that the Town Council required feedback on how the money is spent. It was agreed that the committee would like further information on Melksham Free Dining's structure and work. To that end Melksham Free Dining are to be invited to a future meeting to give a presentation to the Committee.

It was proposed by Councillor J Crundell, seconded by Councillor Hubbard and

**UNANIMOUSLY RESOLVED** to award Melksham Free Dining a grant of £592.00

#### Melksham PHAB

There was discussion on ticket prices, what the sum was to cover, what the total cost was and evaluation forms. It was agreed that repeat applications for a grant should include an evaluation report of how the previous grant was spent.

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** to award Melksham PHAB a grant of £300.00.

#### Splash (Community First Wiltshire)

There was discussion on how to ensure the grant is used for Melksham Town residents and not the wider Melksham area.

It was proposed by Councillor Hubbard, seconded by Councillor J Crundell and

**UNANIMOUSLY RESOLVED** to award Splash a grant of £768.00 being £64 per young person, up to a maximum of 12 that live within the Melksham Town boundary. Splash are to provide postcodes to show the beneficiaries live within the Melksham Town boundary before the funds are paid.

#### **Carer Support Wiltshire**

Councillor Hubbard advised that the Area Board had set aside a large sum for young carers and he did not believe it had all been allocated. He suggested giving £500 and Carer Support Wiltshire could make applications to other parishes and the Area Board.

It was proposed by Councillor Hubbard, seconded by Councillor Aves and

**UNANIMOUSLY RESOLVED** to award Carer Support Wiltshire a grant of £500.

#### Read Easy North & West Wiltshire

It was proposed by Councillor Hubbard, seconded by Councillor J Crundell and

**UNANIMOUSLY RESOLVED** to award Read Easy North & West Wiltshire a grant of £500.00.

Total of grants awarded £4295.00.

#### 47/23 Detailed Income & Expenditure by Budget Heading 31/07/2023

Councillor Hubbard queried the increase in stationery spending. The Town Clerk advised this was down to mis-coding and that the problem was often a question of interpretation or incomplete information. Mid-coding, and the problems caused to councillors when signing off accounts, was discussed. Two suggestions were made to tackle the problem.

- a) When time permits, a crib-sheet of codes is produced.
- b) Statements be accompanied with a report highlighting variances and what has caused them. Councillor Hubbard asked that it be recommended to Full Council to discuss what needs to be done to implement this.

Councillor Hubbard queried the variances on live entertainment figures (Page 116 of Agenda Pack). How has there been a £3000 loss when two years ago Council said would not put on any live events. The Town Clerk advised she would check with the Assembly Hall team. Councillor Hubbard asked for a written reply with a breakdown.

#### 48/23 Monthly Financial Statement 31 July 2023

The Monthly Financial Statement to 31 July 2023 was received.

#### 49/23 Payments and Receipts

After committee had received the lists Councillor Aves asked why there were so many cheques to sign and why could Lloyds not move to BACS? The matter, including safeguards, was discussed and the Town Clerk said she would look into making the change.

#### 50/23 Unity Payments

Lists of Unity payments for April, May, June and July 2023 were received.

#### 51/23 Unity Receipts

Lists of Unity receipts for April, May, June and July 2023 were received.

#### 52/23 Lloyds Payments

Lists of Lloyds payments for April, May, June and July 2023 were received.

#### 53/23 Lloyds Receipts

Lists of Lloyds receipts for April, May, June and July 2023 were received.

#### 54/23 Petty Cash Payments

Lists of Petty Cash payments for April, May, June and July 2023 were received.

#### 55/23 Petty Cash Receipts

List of Petty Cash receipts for June 2023 were received.

#### 56/23 Earmarked Reserves

A request was made that the projected spend column is broken down. The Town Clerk referred to the page following the report. There was a discussion arising from the report and certain items were clarified.

There was a short discussion of the developing Action Plan and Councillor Hubbard made some suggestions.

The report was received.

4. AIMS AND OBJECTIVES OF YOUR OR	<b>GANISA</b>	TION:	
What does your organisation do and how does	it benefi	t the residents of Melksham?	

Bowerhill Baby and Toddler Group has been running for around 20 years. In June of 2023 a group of Mums decided to take on the running of the group rather than loose such a fabulous facility. The group operates on Mondays 10am-

We offer a different theme each week such as "under the sea" with sea creature toys, water and sea themed crafts. We have had visits from a fire engine, Peppa Pig and we will soon have a visit from some of the animals at Longleat! We offer a healthy snack and dancing to music at the end of our session.

We want to keep this wonderful facility running for existing and future families but need to invest in updating our toys and equipment to offer an exciting experience to babies, toddlers and their guardians. For our facility is not just a place for children but for parents, carers and grandparents to meet new people and feel supported in their community.

#### 5. THE PROJECT

#### In ONE SENTENCE please describe what the funding is being requested for:

We want to invest in our babies sensory experiences, with new matting, lighting, projectors and sensory spheres. Our toddlers love the outdoors, a new sand/water station and new ride-on vehicles would be great for them.

#### If needed, please elaborate here with further details

We would really like to offer a sensory experience for the babies that attend our group. We know that preterm babies are at risk of poor neurodevelopmental outcomes due to the disrupted sensory processing but investing in sensory lighting and projectors will also benefit children with additional needs.

As we are based in a busy village hall supported by many groups, we want to ensure the babies of the group have a safe and comfortable environment to enjoy their sensory environment. We have researched and found thick, large, wipeable matts that are also strong and hardwearing, they have been highly recommended by the parents that attend our group. These come at a cost but are the first item we would like to purchase. The mats the babies currently lay on are very unhygienic they are 10+ years old and cannot be wiped cleaned. They are dirty and are not clean for the babies.

This is a link to the mats we would like to buy for the babies –

https://totterandtumble.co.uk/products/the-rambler

#### How will this benefit the community or people of Melksham?

Our visitor numbers each week have shown that we are a popular group. We know the early years groups are vital for the community, not only for stimulating the children but as a support network for families. We can help parents learn about the importance of play, about how best to play with their children, and give families access to new and varied toys and equipment for play.

The link below is research from Action for Children which found an early association between increased children's centre usage and a decreasing gap in educational outcomes between disadvantaged children and their peershttps://www.actionforchildren.org.uk/blog/levelling-up-for-0-5s-the-potential-of-baby-and-toddler-groups/

#### What evidence do you have that this project/service is required in Melksham?

We have recently set up a booking app as we found we quickly reached capacity and had to turn people away from group on the day. The app now allows people to book in advance and shows when at capacity. We share information via FaceBook about the upcoming session and special events which raises awareness and in Melksham and surrounding areas.

#### What evidence do you have of adverse effects on the community if your project does not go ahead?

Feedback from parents and carers that visit our group ensures we are offering a vital service. Not only for the babies and toddlers that visit us regularly and get to experience a range of activities but for their parents/carers to meet and chat with others finding a support network.

#### 6. BENEFICIARIES

How many people in total will benefit from this grant?

200

How many of the beneficiaries are residents of Melksham Town? Please use the attached map which indicates the Melksham Town boundary.

Please see our latest Facebook Poll to understand how many beneficiaries live in Melksham Town.

Please explain how you calculated the number of beneficiaries within the Melksham Town boundary.

We cannot be 100% sure of the number of beneficiaries living in Melksham as we do not ask or keep records of addresses for security and GPDR reasons, but upon speaking and engaging with our parents we are aware most of them live in Melksham. We recently conducted a poll via our Facebook Page and so far as of 29/10/2023 (19:30 hours) 100% of our beneficiaries state they live in Melksham.

We understand Bowerhill Village Hall may be outside/on the edge of the boundary, however 100% of our attendees state they live in Melksham.

#### 7. FINANCIAL INFORMATION

ESTIMATED TOTAL COST OF PROJECT £1035

GRANT AID REQUESTED FROM MTC £1000

#### What are your current or planned subs/fees/charges?

We charge an entry fee for each child but this pays for hall rental, snacks, activity supplies, insurance. Any accumulation of entry fee goes toward replacing old or broken toys.

#### How will you spend the grant money you are applying for?

Please remember that Melksham Town Council do not normally give grants for running costs unless there are exceptional circumstances.

#### 4. AIMS AND OBJECTIVES OF YOUR ORGANISATION:

What does your organisation do and how does it benefit the residents of Melksham?

We call people to worship at St Michael and all Angels, Melksham Parish Church. We provide ringing for national occasions, Armistice, The Coronation, Royal Celebrations, National Celebrations (e.g. Olympics). We ring for personal celebrations – Weddings, funerals, christenings etc. We maintain the bells for the church, the community and future generations.

5. THE PROJECT	
In ONE SENTENCE please describe what the funding is being requested for:	
We wish to augment Melksham bells from eight bells to ten.	
If needed, please elaborate here with further details	
The Parish church of St Michael and all Angels currently has eight bells hung for change	ge ringing. We have
been given the opportunity to install an additional two lighter bells which would bear	
the Coronation of King Charles. The addition of these two bells will assist in the train	
which is much needed to future proof our band of ringers.	0
·	
How will this benefit the community or people of Melksham?	
Melksham tower has an aging ringing community. The addition of these two ligh	ter bells will assist with
teaching new members to ring and will also enable our older members to continue ri	nging on a lighter peal of
bells. Currently, for the bells to sound true we need to ring all eight. The addition of	the two lighter bells will
enable us to ring eight, ten or a true didactic six bells. The bells are a long standing particles	rt of the life of Melksham
and without the ability to train and attract new ringers withing 5-10 years they could	stand silent.
What a side was do you have the table was in the control is no wined in 1864 the barr?	
What evidence do you have that this project/service is required in Melksham?	+ and tunin na vincava if
Whilst Melksham still has an active and very skilled band of ringers we need to attract	_
we are to continue to provide this voluntary service to the community. This needs t	o be done whilst we still
have the skillset available to teach and develop learning ringers.	
What evidence do you have of adverse effects on the community if your project do	es not go ahead?
There are towers all over the country where the bells hang silently due to a lack of loc	•
of change ringing to continue we need to be able to teach and encourage learners	J

the whand fur training it has be This op Corona Corona need to the prototal w	uld be grateful for any donation that could be given to help us with this project which would benefit ole town for many years to come. The bells and the maintenance of them have always been handled ided by the bellringers at the church, including funding a dumb bell and ringing simulator to help with ig. The two new bells will aid the transition from ringing a dumb bell to ringing actual church bells and een recognised for a while that this would be a valuable addition to the tower. Sportunity has arisen now due to the generous offers to donate the two bells to commemorate the tion of King Charles and the passing of one of our previous ringers. In order to cast the bells with the tion Cypher we need to be able to order the bells before the end of this calendar year – therefore we know funding would be in place to support the installation of the bells. The aim would be to complete ject during 2024. Whilst we have fundraising schemes in place for some of the funds achieving the full ill be a difficult task, therefore we have decided that we now need to ask the town to help us with the generation of the future.

### **MELKSHAM TOWN COUNCIL**

# MEETING OF THE FINANCE ADMIN AND PERFORMANCE COMMITTEE 11/ 11/ 2023

#### CONSIDER HOW WE ARE USING THE RIALTAS SOFTWARE

Proposed by: Councillor Mortimer Seconded by: Councillor xxx Dated: 12 November 2023

#### 1. Purpose of the motion

To get the best out of using the current Rialtas Accounting Software package.

### 2. Background (Including previous resolution/s made and date/s if applicable)

No previous resolutions but have had many discussions/queries re totals on the Income and Expenditure Report and balances of the Ear Mark Reserves for Financial Statement.

#### 3. Current Situation

I have recently been on two Rialtas software courses one for budgets and one for ear mark reserves to enable to get to the bottom of the queries we have in our reports. It was a very useful course.

The 9000 codes that we are using for ear mark reserves (see attached) I was informed are for expenditure codes that map to Income and Expenditure report. I was advised that the system is set up for the 300 codes to be used for Ear Mark Reserves and that these map to the Balance Sheet. (see attached the MWPC Ear Mark Reserve) Using code 300 instead of 9000 would appear to solve many of the queries we have had with the reports.

The expenses need to be coded to an expenditure code not straight to the code for Ear Mark Reserves. The default when posting expenses is that it comes out of general reserves. For expenses designated to come out of other reserves there is a right click features when posting expenses that brings up the list of reserves in the 300's to choose from.

The right click was introduced with software update a few years ago. The other members on the course all used it and agreed it was a much-improved feature of the system.

Software training courses. These are either £65 or £120. I envisage there will be man hours saved and more meaning full reports produced by using the system as it is intended. Rialtas support, which I assume we have, offer unlimited access for support at no extra cost.
5. How does the motion link to Town Council policies and core values?
Links in with the transparency and timely information of data.
6. What risks are there? (Provide a risk assessment)
None noted
7. What crime and disorder implications are there?
None noted.
8. What environmental and biodiversity considerations are there?
None noted.
9. What safeguarding concerns are there?

4. What financial implications are there?

None noted.
10. Motion
To consider working with Rialtas Support to use the recommend codes to produce more meaning
full accounts.
11. Does the motion impact/ support any previous decisions of council?
No
12. Confirmation that the item under consideration has not been discussed by Council within the preceding six months. If it has, has there been a material change and what is this?
No
13. Please summarise any specific recommendations you have in relation to next steps
That the Council use Rialtas support and any courses necessary to get us back on track with using the current software in the most efficient manner ie in the way it is intended.
